Auditor's Report:

The following is an excerpt from the Report of the Independent Auditors, Sam S. Mah Inc., as it appeared in Co.'s 2016 Annual Report:

Opinion

In my opinion, the financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2016 and December 31, 2015 and its financial performance and its cash flows for the years then ended in accordance with International Financial Reporting Standards.

Emphasis of Matter

Without qualifying my opinion, I draw attention to Note 1 in the financial statements which indicates that the Company incurred a net loss of \$459,756 during the year ended December 31, 2016 and, as of that date, had an accumulated deficit of \$14,810,633 since inception. These conditions, along with other matters as set forth in Note 1, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern."
