Auditor's Report Auditor's Report

The following is an excerpt from the Report of the Independent Auditors, Davidson & Company LLP Chartered Accountants, as it appeared in Co.'s 2018 10-K: "We have audited the accompanying consolidated balance sheets of Rise Gold Corp. (the "Company"), as of July 31, 2018 and 2017, and the related consolidated statements of operations and comprehensive loss, stockholders' equity, and cash flows for the years ended July 31, 2018 and 2017, and the related notes (collectively referred to as the "financial statements"). In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Rise Gold Corp. as of July 31, 2018 and 2017, and the results of its operations and its cash flows for the years ended July 31, 2018 and 2017 in conformity with accounting principles generally accepted in the United States of America. Going Concern The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the consolidated financial statements, the Company has suffered recurring losses from operations and has a net capital deficiency that raise substantial doubt about its ability to continue as a going concern. Management's plans in regard to these matters are also described in Note 1 The consolidated financial statements do not include any adjustments that might result from the outcome of this uncertainty.'

WILLDAN GROUP INC

Acquisition Completed On Nov. 9, 2018, Co. acquired Lime Energy Co. ("Lime Energy") (the "Acquisition") as its new subsidiary through the merger of Co.'s indirect subsidiary, Luna Fruit, Inc. ("Merger Sub"), a Delaware corporation and whollyowned subsidiary of Willdan Energy Solutions, a California corporation, with and into Lime Energy, with Lime Energy surviving the merger. The aggregate purchase price paid in the Acquisition was \$120,000,000, exclusive of closing holdbacks and adjustments. A portion of the purchase price was deposited into escrow accounts to secure certain potential post-closing obligations of the participating securityholders. Co. paid the purchase price for the Acquisition using a combination of cash on hand (including \$50,000,000 of the \$56,400,000 in net proceeds received from Co.'s recently completed equity offering) and certain proceeds from Co.'s borrowings under its Delayed Draw Term Loan Facility.
