

FOR IMMEDIATE RELEASE

Mergent, Inc. Enhances Million Dollar Database

May 31, Charlotte, NC – Mergent, Inc., the exclusive provider of D&B®/Hoover's™ library solutions, is pleased to announce that another powerful product, the Million Dollar Database – has some significant improvements and exciting features.

The D&B Million Dollar database provides a valuable source of information on both privately held and public companies and their executives. MDDI features easy-to-use cross references, primary and secondary lines of business and the names and titles of company officers and directors. Mergent's MDDI now combines complete coverage on all businesses in the U.S. and Canada with business profiles on firms in over 200 countries worldwide.

The Million Dollar database includes coverage on over 34 million businesses and over 75 million executives worldwide through an easy-to-use interface with no loss of coverage or data while conducting your research. In addition, MDDI has a Complete North America Family Tree providing you greater depth of information on the hierarchy of related businesses, remote access for flexible searching and powerful search capabilities.

New Features include:

- Redesign of the Advanced Search Function
- 6/8 Digit SIC Code Search Capability
- Allows a Contains Search Within the Company Search
- Additional Content from Dun & Bradstreet® Including Additional Executive Information
- Ability to Search for Multiple Zip Codes in One Search

Key Benefits:

- Complete North America Family Tree
- SIC Codes
- NAIC Codes
- User Profiles
- Download and Create Reports
- Mapping Capabilities
- D-U-N-S® Number
- Import / Export Indicator
- Public Company and Public Family Member Indicators
- Company Name / Address / Telephone Number
- State of Incorporation
- Parent Company Name / Indicator That Parent Is Listed in the Current Edition
- Founded/Ownership Date
- Annual Sales / Total Employment
- Stock Exchange / Ticker Symbol

- Banking / Accounting Relationship
- Up to Six Industry Classifications / Business Description
